OBJECTIVE

Enthusiastic aspiring Full Stack Developer with a newly acquired proficiency in Java. Eager to embark on a dynamic career in programming, demonstrating a strong foundation in Java development. Excited about learning new languages and technologies to broaden skill set and contribute effectively to innovative software projects.

EDUCATION

Karpagam Tech, Coimbatore

Bachelor's Degree in Mechanical Engineering
2013– 2017

CIT, Coimbatore

Masters in Heat Power Engineering
2017-2019

PROJECTS

Static Front-end Grocery Store & Job Portal

- Designed and implemented static front-end interfaces for a Grocery Store and Job Portal using HTML, CSS, and JavaScript.
- Currently working on integrating the front-end with Spring Boot for dynamic content and improved functionality.

Java Bus Ticket Booking Console Project

- Developed a console-based Java application for bus ticket booking, employing object-oriented programming principles like inheritance and encapsulation.
- Implemented CRUD operations for managing buses, routes, passengers, and tickets.
- Utilized collections for efficient data handling and storage.

CRUD Student & Library Management with Database: using Spring Boot

- Created a web-based application using Spring Boot for managing students and library resources.
- Implemented CRUD operations with Spring Data JPA for seamless database interaction with psql.

Certificates

- Successfully completed a **comprehensive Java course** at Payilagam, Chennai, honing proficiency in Java development.
- Proudly **certified in yoga** through Manavalakalai Mandram Arakattalai, demonstrating a commitment to holistic well-being.
- Clinched the **1st place in Cad Modeling** at the JCT College Symposium, Coimbatore, showcasing creativity and design prowess.
- Secured **1st place in the Solving Rubik's Cube** competition at the P.A. College Symposium, Coimbatore, highlighting problem-solving skills.
- Distinguished as the **Basketball Runners-Up** in the Inter-Institute Tournament, reflecting teamwork and athletic achievement.

SKILLS

TECHNICAL SKILLS

- Core JAVA
- CRUD in Spring Boot
- PostgreSQL
- Front End Web Developer
- LINUX(Ubuntu)

INTERPERSONAL SKILLS

- Strong organizational and time-management skills
- Exceptional communication and interpersonal skills
- Ability to work independently and as part of a team
- Detail-oriented and able to handle multiple tasks simultaneously
- Collaborative leadership can bring people together to work as a team

LANGUAGES

- Tamil
- English

HOBBIES

- Reading books
- Traveling
- Solving Leetcode problems

COLLEGE PROJECTS

- Automatic Rolling Punching Machine (3rd Year B.E.)
- Friction Stir Welding (Final Year B.E.)
- Thermosyphon (Final Year M.E.)
